

Are you interested in conducting research to further the specialty of facial plastic and reconstructive surgery? If so, please take a moment to learn more about what our Foundation offers members to support research endeavors.

AAFPRS Foundation Grant Announcements for 2017

The Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery is pleased to announce the available grants and scholarships for the 2017 funding year.

Bernstein Grants

There are three grants available through the program.

Leslie Bernstein Grant - A \$25,000 grant may be awarded annually to an Academy Member.

Leslie Bernstein Resident Research Grant – This grant is a \$5,000 award given to residents who are AAFPRS members. Two grants may be awarded each year.

Leslie Bernstein Investigator Development Grant - One \$15,000 grant may be awarded each year.

Applicants for the Leslie Bernstein Grant, Leslie Bernstein Resident Research Grant, and Leslie Bernstein Investigator Development Grant must submit a Letter of Intent to Centralized Otolaryngology Research Efforts (C.O.R.E) by **December 15, 2016** and their proposals for review by the C.O.R.E. by **January 15, 2017**.

Visit <http://www.entnet.org/CORE> for information on the application process.

Clinical Research Center Grants

AAFPRS Research Scholar Award - Each award will be for up to \$30,000 per year. More than one grant per year may be awarded based on the approved annual budget for the Research Center. All applicants must submit a Letter of Intent online through C.O.R.E. by **December 15, 2016**. ALL additional materials must be submitted online to C.O.R.E. by **January 15, 2017**.

Visit <http://www.entnet.org/CORE> for information on the application process.

AAFPRS Clinical Research Scholarship - Each scholarship will be for \$15,000 and is intended to fund education in clinical research. More than one scholarship per year may be awarded based on the approved annual budget for the Research Center. All applications and supporting documentation must be submitted by **January 15, 2017**.

AAFPRS Clinical Investigation Award - Each Award will be for \$2,500. More than one Award per year may be present based on the approved annual budget for the Research Center. Awards will be announced twice a year at the AAFPRS scheduled meetings. Deadline for the spring meeting (COSM or equivalent meeting) is **January 1, 2017**. Deadline for the AAFPRS Fall Annual meeting is **June 1, 2017**.
