11th International Symposium of Facial Plastic Surgery

Join us for this memorable educational event as we celebrate the Academy’s 50th Anniversary

Symposium Chair: Jonathan M. Sykes, MD
Program Chair: Anthony P. Sclafani, MD

May 27-31, 2014
New York City, NY

Sponsored by Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery and the International Federation of Facial Plastic Surgery Societies
Greetings to all and thank you for your interest in our program. Every four years, the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) and the International Federation of Facial Plastic Surgery Societies (IFFPSS) host an international symposium that brings together facial plastic surgeons from all over the world and in the specialties of facial plastic surgery, oculoplastic surgery, dermatologic surgery, plastic and cosmetic surgery. The symposium features the latest trends and technologies in facial plastic surgery by offering lectures, panels, workshops and instruction courses led by experts in the field and an exhibition of over 100 companies displaying and introducing their latest products and services.

What makes this meeting special is the commemoration and celebration of the Academy’s 50th Anniversary. Building on the traditions of the AAFPRS, this meeting explores the latest in techniques and technologies in facial plastic and reconstructive surgery. Internationally renowned facial plastic surgeons will be joined by colleagues in plastic surgery, dermatology and oculoplastic surgery in discussing the nuances of facial plastic surgery. Cadaver labs focusing on rhinoplasty, facelift, endoscopic brow and midface lift, and blepharoplasty and ptosis repair provide hands-on experience to practice the nuances of specific procedures, while separate workshops on energy-based skin rejuvenation and hair restoration provide in-depth coverage of these topics. A two-day practice management course will cover marketing, social media and the Internet and staffing issues in your practice.

This symposium will be held in New York City and in the heart of Times Square which promises to be a venue that will bring fun and excitement to every member of your family. The cultural, recreational and educational opportunities of New York are all within a short distance from the meeting. Join us in New York, the City That Never Sleeps, for cutting-edge daytime education and fantastic New York experiences afterwards.
INVITATION FROM THE PRESIDENT OF THE AMERICAN ACADEMY OF FACIAL PLASTIC AND RECONSTRUCTIVE SURGERY

Welcome back to “the city that never sleeps”, “the Big Apple”, “the capital of the world”, the Empire City, Gotham, the center of the universe”, or at least our universe the week of the meeting. No matter what you call it, it is New York City and it is great to be back for the 11th International Symposium of Facial Plastic Surgery!

Could any place be more alive than this great city? The shows, the food, the arts, and most of all the conglomeration of the world’s most renowned facial plastic surgeons assembled by the meeting chairs Drs. Sykes and Sclafani. It is extra special because we are celebrating our Academy’s 50th Anniversary.

The week will be spectacular with courses, presentations, panels, and seminars addressing the tried and true as well as the latest advances in fillers, neuromodulators, reconstructive surgery and cosmetic surgery. Speakers have been assembled from facial plastic surgery, plastic surgery, ophthalmology, dermatology, and the corporate world to help us all improve our patient care and practice management.

What is being offered by our course directors is magnificent and not a moment should be missed, however, it is important that we all save some energy for Broadway, Fifth Avenue, the Museums of Modern Art, and Natural History and that grand lady the Statue of Liberty, to mention only a few and barely scratching the surface of what is available to do and see.

Dr. Robert Simons and the 50th Anniversary Committee have worked hard to have a special surprise for everyone that I am indeed looking forward to. This will be a great week, in a great city with a great group of our colleagues from around the world. Please help yourself to her hospitality.

50TH ANNIVERSARY CELEBRATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFRPS) will celebrate its 50th Anniversary at this meeting. Big surprises are in store for all meeting attendees, members and non-members alike. Come celebrate with us… enjoy a festive event, have a peek at the brand new Archival Center, participate in taxi games, walk away with give-aways… a walk down memory lane has never been this much fun. See what the future has in store for all participants.

Do reserve Thursday, May 29, 2014, 6:00pm to 9:00pm, to partake in the party of the year. We will celebrate our anniversary at the Marriott Marquis with great views of the city. Your presence with international food stations, drinks, and entertainment will make this a memorable evening. There is no fee to attend the party, but registration is required. Please indicate your attendance on the registration form on page 22.

The 11th International Symposium of Facial Plastic and Reconstructive Surgery is taking place next May in New York City. It may seem far away but it is actually just around the corner.

Such a big and important meeting takes a substantial amount of effort to put together a program. Also, additional work is required as our sister society, the American Academy of Facial Plastic and Reconstructive Surgery is celebrating its 50th Anniversary. A founding society of the IFFPSS, the AAFPRS has been a pillar of the Federation; its members have enriched this organization, while at the same time they have hosted several meetings where international speakers have had the chance to share their experiences, techniques, and to grow altogether as surgeons and friends. We at the Federation are proud to co-sponsor the International Symposium, which we know will be an educational success and memorable event.

As president of the IFFPSS, I take this opportunity to invite you to come to New York, a city that will offer the ideal frame for an international gathering of experts in the field of facial plastic surgery, and to celebrate with our American colleagues half a century of developing a specialty. The program promises to be an extensive and interesting one, covering all the aspects of surgical and non-surgical procedures, with the participation of worldwide recognized faculty under the expert direction of Jonathan M. Sykes, MD, and Anthony P. Sclafani, MD.

You cannot miss this wonderful opportunity to visit one of the most beautiful and exciting cities in the world, as we gather to also help celebrate the AAFPRS’ 50th Anniversary.

The 11th International Symposium is sponsored by the AAFPRS Foundation and the IFFPSS.

ABOUT THE AAFPRS AND ITS FOUNDATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFRPS) was founded in 1964 and represents more than 2,500 facial plastic and reconstructive surgeons throughout the world. The AAFPRS is a National Medical Specialty Society of the American Medical Association (AMA). The AAFPRS holds an official seat in the AMA House of Delegates and on the American College of Surgeons board of governors. The majority of AAFPRS members and fellows are certified by the American Board of Otolaryngology-Head and Neck Surgery, which includes examination in facial plastic and reconstructive surgery procedures, and the American Board of Facial Plastic and Reconstructive Surgery. Other AAFPRS members are surgeons certified in ophthalmology, plastic surgery, and dermatology.

In 1974, the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery (AAFRPS Foundation) was created to address the medical and scientific issues and challenges which confront facial plastic surgeons.

The AAFPRS Foundation established a proactive research program and educational resources for leaders in facial plastic surgery. Through courses, workshops, and other scientific presentations, as well as a highly respected fellowship training program, the AAFPRS Foundation has consistently provided quality educational programs for the dissemination of knowledge and information among facial plastic surgeons.

In the early 1990s, FACE TO FACE: humanitarian programs were established so that AAFPRS members could use their skills and share their talent in helping the less fortunate individuals here and abroad.

• FACE TO FACE: International brings AAFPRS members to third world countries where they treat children with facial birth defects and anomalies.
• FACE TO FACE: The National Domestic Violence Project allows AAFPRS members to perform surgeries on survivors of domestic abuse here in the United States, who have received injuries to their faces.
• The newest member to FACE TO FACE is FACES OF HONOR. This program offers free surgical care for soldiers who have been injured in the line of duty in Iraq and/or Afghanistan.

EFRAIN DAVALOS AWARD

The Efrain Davalos Award is given every four or five years to a physician outside of the U.S. and Canada who has made significant contributions to facial plastic surgery. At this 11th International Symposium, the distinguished award will be given to Joao Maniglia, MD, from Brazil. He was the Brazilian representative at the IFFPSS from 2000 to 2010 where he significantly helped in making the presence of facial plastic surgery in Brazil stronger. He has been a strong contributor through his work in the Federation. Dr. Maniglia will be recognized on Friday, May 30, 2014 at 11:30am, TRAIN 1, Broadway Ballroom.

ABOUT THE IFFPSS

The International Federation of Facial Plastic Surgery Societies (IFFPSS) is a group of societies of facial plastic surgeons from various countries around the world. This Federation was formed in 1997 after extensive discussions initiated by the AAFPRS. The member societies of the IFFPSS are:

• American Academy of Facial Plastic and Reconstructive Surgery
• Australasian Academy of Facial Plastic Surgery
• Brazilian Academy of Facial Plastic Surgery
• Canadian Academy of Facial Plastic and Reconstructive Surgery
• Colombian Society of Facial Plastic Surgery and Rhinology
• Ecuadorian Society of Rhinology and Facial Surgery
• European Academy of Facial Plastic Surgery
• Korean Academy of Facial Plastic and Reconstructive Surgery
• Mexican Society of Rhinology and Facial Surgery
• Pan Asia Academy of Facial Plastic and Reconstructive Surgery
• Taiwan Academy of Facial Plastic and Reconstructive Surgery
• Venezuelan Society of Rhinology and Facial Plastic Surgery

The Federation continues to serve its goal of improving communication and cooperation among all of our societies for many educational programs and other programs that benefit patients. The most important aspect of the history and future of the Federation, however, are the many relationships developed and our ability to improve the quality of facial plastic surgery around the globe.

CONTACT

For questions about any of the information contained in this brochure, please contact: AAFPRS Foundation, 310 S. Henry Street, Alexandria, VA 22314
Phone: (703) 299-9291; Fax: (703) 299-8898; E-mail: info@aafprs.org
Visit the AAFPRS Web site frequently for program updates: www.aafprs.org/Education-meetings.html.
LEARNING OBJECTIVES

At the conclusion of the meeting, participants should be able to:

- Discuss the range of facelift techniques and to choose the correct technique for each patient.
- Incorporate techniques of face lifting into patient care to improve safety and outcomes.
- Integrate advanced rhinoplasty techniques into patient care for optimal results.
- Comfortably manage complications of rhinoplasty and blepharoplasty, and utilize techniques to minimize these complications.
- Apply the approaches and techniques of respected surgeons to optimize surgical results in repair of congenital deformities, such as cleft lip and palate and microtia, as well as reconstructions of the face after cancer removal.

DISTINGUISHED FACULTY

Robert Weiss, MD
Sara Wester, MD

The symposium will be held at the New York Marriott (Lifelong Education and Research Network) in 2013, we now have the capability of capturing meeting evaluation responses and award CME credits to participants on line at www.aafprs-learn.org.

Please note that in order to access your personal LEARN account, you will need to know your AAFPRS log on ID and password. If you do not know your current AAFPRS ID and password, please e-mail Karen Sloan before the meeting, kslon@aafprs.org, and she will provide you with the necessary information to complete your evaluation and claim your CME Credits. Knowing this information ahead of time will avoid delays in obtaining your credits on-site.

A dedicated booking Web site has been created for you to make your hotel reservations on-line, as well as take advantage of any special group rates we have obtained. Visit the link: https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=10721508 or call (877) 303-0104; (212) 398-1900.

At the conclusion of the meeting, participants should be able to:

- Discuss the range of facelift techniques and to choose the correct technique for each patient.
- Incorporate techniques of face lifting into patient care to improve safety and outcomes.
- Integrate advanced rhinoplasty techniques into patient care for optimal results.
- Comfortably manage complications of rhinoplasty and blepharoplasty, and utilize techniques to minimize these complications.
- Apply the approaches and techniques of respected surgeons to optimize surgical results in repair of congenital deformities, such as cleft lip and palate and microtia, as well as reconstructions of the face after cancer removal.

MEETING FORMAT

This year's symposium will be different from the past—it offers a different format and features more talks and lectures, labs, and workshops. Each day will have different "trains" with different schedules. Make sure you pay attention to the daily schedule. There will be panels and lectures happening in one "train" while there are instruction courses and free papers happening concurrently. This will allow you to pick and choose as you please and not be tied down to one room. Take note that there are three half-day labs on Thursday and two-half day labs on Friday and there is an additional fee to attend the labs. The Exhibit Hall will be open from 9:00am to 6:00pm daily and with varying break and lunches, you will be able to access the hall at all times.

HOTEL AND MEETING SITE

The symposium will be held at the New York Marriott Marquis (1535 Broadway, New York, NY 10036), located in the heart of Times Square. Special group rates have been reserved for attendees at $269 a night.

A dedicated booking Web site has been created for you to be able to make, modify and cancel your hotel reservations on-line, as well as take advantage of any room upgrades, amenities or other services offered by the hotel. Visit the link: https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=10721508 or call (877) 303-0104; (212) 398-1900.

DAY 1: Tuesday, May 27, 2014

1 TRAIN -- Broadway Ballroom, 6th Floor

8:45am Welcome and Introduction from the Chairs
Jonathan M. Sykes, MD and Anthony P. Scafani, MD

9:15am The State of the Specialty
Edward H. Farris, MD, AAFPRS President and
Jose Juan Montes, MD, IFFPSS President

9:45am PANEL: Changing World, Changing Faces
Moderator: J. Regan Thomas, MD
Panelists: Ronan Cobo, MD; Fazil Apaydin, MD;
Heshem Saleh, MD; Yong Ju Jang, MD, and
Anthony Brissett, MD

11:15am Critiques, Questions and Answers

11:30am Lunch

Titans of Facial Plastic Surgery
Twelve giants in our field give their personal and
historical perspectives.
12:30pm Global Facial Beauty
Peter A. Adamson, MD

12:50pm Facelift Longevity: Does Technique Make a Difference?
Daniel Baker, MD

1:10pm The Rhinoplasty Dichotomy: Is What We Hear at
Meetings What Our Rhinoplasty Patients Really Want?
Pietro Palma, MD

1:30pm The Future of Oculoplastic Surgery,
Robert A. Goldberg, MD

1:50pm Pushing the Limits in Rhinoplasty
Dean M. Torigian, MD

2:10pm The Business of Facial Plastic Surgery
Edwin F. Williams, III, MD

2:30pm QA

2:40pm Break

Titans of Facial Plastic Surgery
2:50pm My Personal Evolution of Caring for Patients with Oral
Clefting: A Humbling but Joyful Career
Jonathan M. Sykes, MD

3:10pm How to Achieve Excellent Results in Facial
Clefting: A Humbling but Joyful Career
Jonathan M. Sykes, MD and Anthony P. Scafani, MD

3:30pm Panel: The Rhinoplasty Dichotomy: Is What We Hear at
Meetings What Our Rhinoplasty Patients Really Want?
Pietro Palma, MD and Anthony P. Scafani, MD

3:50pm My Personal Evolution of Caring for Patients with Oral
Clefting: A Humbling but Joyful Career
Jonathan M. Sykes, MD

4:10pm Practical Aesthetics: Making a Nose that Fits the Face
Mark Constantian, MD

4:30pm Auricular Reconstruction—Surgical Innovations,
Training Methods and an Attempt for a Look Forward
Daniel Becker, MD

4:50pm Anatomy of the Face in Facial Rejuvenation
Patrick Trousdale, MD

5:00pm Cocktail Reception in the Exhibit Hall

Cocktail Reception
Conclude your day with the opportunity to meet and
greet friends from all over the globe. Visit our loyal
exhibitors and see what they have to offer. The
Cocktail Receptions will be held in the Exhibit Hall
from 5:00pm to 6:00pm on Tuesday, Wednesday, and
Friday.

DAY 1: Tuesday, May 27, 2014

7 TRAIN -- Manhattan Ballroom, 8th Floor

9:45am PANEL: Facial Reconstruction Case Studies: Cases that
Helped Define My Technique
Moderator: Stephen S. Park, MD
Panelists: Steven R. Moberly, MD; Kris Moe, MD;
Peter A. Hilger, MD; Tom D. Wang, MD;
Hvong Ryal Jin, MD; and Alexander Berghaus, MD

11:15am Critiques, Questions and Answers

11:30am Lunch

N TRAIN -- Marquis Ballroom, 9th Floor

9:45am PANEL: Emerging Technologies – Proven Results?
Moderator: John S. Rue, MD
Panelists: Edmund A. Frishkin, MD; James Newman,
MD; Neil Sadick, MD; David B. Horn, MD;
Richard D. Gentile, MD; Brian Wong, MD,and
Tessa A. Hadlock, MD

11:15am Critiques, Questions and Answers

11:30am Lunch

See the bright lights of Times Square from this first-class
accommodation, the New York Marriott Marquis. Ideal for business,
family, and leisure travelers, the Marquis boasts 828 guest rooms,
most with fantastic city views. All of the Big Apple’s attractions are easily accessible from this hotel’s central
location: the Broadway Theater District, Madison Avenue shopping,
Radio City Music Hall, Rockefeller Center and NBC Studio tours are
just a short walk or cab ride away. And after a long day of travel,
you’ll be able to wind down in the new Marriott Revive bed dressed
with down comforters and 300-thread-count linen.

The popular AAFPRS Video Learning Center will be
present and will be open to all meeting attendees. The John Dickinson Memorial Library has over 275
procedural and instructional DVDs which you can view at the meeting. You may also purchase the
DVDs on-site and receive a 10% meeting discount. There will be BRAND NEW DVDs at this meeting
and they will be shown during the breaks.

The Statue of Liberty is a colossal neoclassical sculpture on Liberty
Island in the middle of New York Harbor, in Manhattan, New York
city. The statue, designed by Frédéric Auguste Bartholdi and
dedicated on October 28, 1886, was a gift to the United States from the
people of France. The statue is of a robed female figure representing
Libertas, the Roman goddess of freedom, who bears a torch and a
tabula ansata (a tablet evoking the law) upon which is inscribed the
date of the American Declaration of Independence, July 4, 1776. A
broken chain lies at her feet. The statue is an icon of freedom and of the
United States: a welcoming signal to immigrants arriving from
abroad.
DAY 2: Wednesday, May 28, 2014

2 TRAIN -- Royale/Plymouth
6th Floor -- Instruction Courses
7:45am W1 Tips and Techniques for Lower Blepharoplasty
Bill Foster, MD and Allen Putterman, MD
8:30am Break
8:45am W6 Anatomic Basis to Avoiding Blepharoplasty Complications
Sham R. Baker, MD and William Mack, MD
9:30am Break
9:45am W11 Lasers in Aging Face Surgery
Richard D. Gentile, MD, MBA and David Goldberg, MD
10:30am W16 Upper Blepharoplasty and Ptosis Repair
Alan Putterman, MD and William Mack, MD
11:30am Lunch in the Exhibit Hall
1:00pm W21 The Deviated Nose
Miriam Boenisch, MD and Jamie DeRosa, MD
1:45pm Break
2:00pm W26 Is There a Role for a Minimally Invasive Facelift? E. Gaylon McCollough, MD; Harry Mittelmann, MD; Fred G. Fedok, MD; and Phillip R. Langdon, MD
2:45pm Break
3:15pm W31 Correction of the Severely Deviated Septum
Farid Ayadun, MD and Jose Jurado, MD
4:00pm Break
4:15pm W36 Ethnic Considerations in Rhinoplasty
Roxana Cobo, MD; Sam Rich, MD; and Armando Roccelli, MD
5:00pm Cocktail Reception in the Exhibit Hall
5:00pm Cocktail Reception in the Exhibit Hall

3 TRAIN -- Uris/Shubert
6th Floor -- Instruction Courses
7:45am W2 Midfacial Contouring
Roxana Cobo, MD and Julius Few, MD
8:30am Break
8:45am W7 Rhinoplasty Tip Revisions
Steven J. Pearlman, MD and Abd-al-Tawfik Tomaan, MD
9:30am Break
9:45am W12 Thick Skin in Nasal Tip Surgery
Tae-Bin Won, MD and Jose Juan Montes-Brachini, MD
10:30am W17 The Path to Gaining Power on the Web -- Becoming an Online Influencer
Tom Seery, RealSelf
11:30am Lunch in the Exhibit Hall
1:00pm W22 Safely Achieving Maximal Definition in Thick or Thin Skin Noses
Olivier Gerbault, MD
1:45pm Break
2:00pm W27 Advanced Neck Lifting
Vito C. Quatela, MD and Andrew A. Jacono, MD
2:45pm Break
3:15pm W32 Nasal Dorsal Augmentation
In Sang Kim, M.D; Cesar Villafluerce, Jr., MD; and Eduaro Yap, MD
4:00pm Break
4:15pm W37 Contemporary Management of Microtia
Ria Trimbartani, MD and Derek Kofi Boshuizer, MD
5:00pm Cocktail Reception in the Exhibit Hall
5:00pm Cocktail Reception in the Exhibit Hall

A TRAIN -- Music Box/Majestic
6th Floor -- Instruction Courses
7:45am W3 Minimally Invasive Management of Prominent Ears
Manoj Abraham, MD and Holger Gasner, MD
8:30am Break
8:45am W8 The Rhinoplasty Patterns and Solutions That I have Identified So Far
Mark Constantian, MD
9:30am Break
9:45am W13 Chemical Peels in the Age of Lasers
Mark Rubin, MD and Devinder S. Mangat, MD
10:30am W18 Management of Microtia
Brian Rubenstein, MD and Charles Shih, MD
11:30am Lunch in the Exhibit Hall
1:00pm W23 Lifting the Face: Surgery Vs. Neurotoxins
Darío Bertossi, MD and Theda C. Kontis, MD
1:45pm Break
2:00pm W28 Surgery for Migraines: A New Niche for Facial Plastic Surgery
Marcelo Hochman, MD
2:45pm Break
3:15pm W33 Levels of Face Lifting
Harrison C. Putman, III, MD and George Marcells, MD
4:00pm Break
4:15pm W35 Face Lifting: Personalization in Upper Eyelid Aesthetic Surgery
Julian Rowe-Jones, MD and Grant S. Hamilton, MD
4:45pm Break
5:00pm W36 Ethnic Considerations in Rhinoplasty
Roxana Cobo, MD; Sam Rich, MD; and Armando Roccelli, MD
5:30pm Break

C TRAIN -- Palace
6th Floor -- Instruction Courses
7:45am W4 Complex Forehead and Brow Reconstruction
Lisa Grunebaum, MD; Wendy Lee, MD and Sara Wexter, MD
8:30am Break
8:45am W9 Contemporary Management of Orbital Fractures
John Hoffmann, MD and Mehmet Mansalili, MD
9:30am Break
9:45am W14 Non-Endoscopic Browlift: Simplified
Henry Spinelli, MD and Lucas Patrocínio, MD
10:30am W19 Contouring of the Cheek, Midface and Jaw

Jorge Espinosa, MD and Fred G. Fedok, MD
5:00pm Cocktail Reception in the Exhibit Hall
5:00pm Cocktail Reception in the Exhibit Hall

DAY 2: Wednesday, May 28, 2014

MISCELLANEOUS EVENTS

Cocktail Reception
At the end of the day on Tuesday, Wednesday, and Friday, gather in the Exhibit Hall for a Cocktail Reception. Unwind, mingle with your colleagues, and check out the latest instruments, technology, and services that our exhibitors have to offer.

St. John FACE TO FACE Benefit
The AAPRFS is partnering up with St. John New York Boutique to bring you an exclusive fashion event. Enjoy a private informal modeling of the collection, passed hors d’oeuvres, champagne and shopping. Treat yourself to the iconic style of St. John. A percentage of proceeds will benefit the Academy’s FACE TO FACE program. The event will take place at St. John Boutique, 665 Fifth Avenue, on Wednesday, May 28, 2014, from 4:30pm to 6:30pm.

Media Training Workshop
Fine tune your media skills on May 30, 2014, 5:30pm to 7:30pm, with Jane Hanson. Jane is a nine time Emmy Award winner who has 30 years of broadcast experience. Many of you know her from her time as the Host of The TODAY Show (1988-2003) or her days of anchoring NBC New York News. Reconnect with Jane in a more intimate setting as she applies her broadcast experience to meet your media needs. Jane will offer a two-hour didactic course showing our membership how to best present on air or how to better deliver an in person interview. Take your media expertise to the next level, refine your media skills, and compelling. TV in particular demands more of physicians, to get the message across, you must be energetic, dynamic, brief and brilliant. Jane offers showing our membership how to best present on air or how to better deliver an in person interview. Take your media expertise to the next level, refine your media skills, and compelling. TV in particular demands more of physicians, to get the message across, you must be energetic, dynamic, brief and brilliant. Jane offers you may register on-line at: www.aafprs.org/Education-meetings.html.

Industy Sponsored Events
There may be Industry Sponsored Events added to the program in the early evenings. Please check the AAFPRS Website frequently for updates to the program: www.aafprs.org/Education-meetings.html.

Organization of Facial Plastic Surgery Assistants Program (OFPSA)

Thursday, May 29, 2014
12:00pm - 1:00pm Welcome Luncheon for the OFPSA
1:00pm - 3:30pm What’s In Your Bag? Let Us Sift Through All the Bells and Whistles Out There … What Really Works? Come hear what practices are saying about their most valued, coveted tools in the office.
3:30pm - 4:15pm OFPSA Round Tables
Meet Your Colleagues
No one knows the day-to-day challenges more than those around this table.
6:00pm - 9:00pm 50th Anniversary Reception

Friday, May 30, 2014
7:00am - 8:00am OFPSA Breakfast
Morning Session
• Accountable Interactive Marketing
• The Legal Aspects of the Office – What Are the Most Important Items To Do Now?
• Is It a True Relationship – The Medical Office and The Medical Spa?
• Best Practices to Retain Your Patient or How For Your Waiting Room Not To Be Empty
Afternoon Session
• Tricks of the Trade for Neurotoxins and Injectable Fillers
• Patient Safety and Risk Management – Keeping Control
• How is Your Cosmetic Consultation Different?
• Making the Most of the Secret Shopper
Evening
OFPSA Night Out on the Town – “Theater Night”

Saturday, May 31, 2014
Optional: Attend the Practice Management Sessions (See AAFPRS “N Train” Schedule for details.)

EXHIBITION
The Exhibition Hall is where it all happens! The exhibition will be huge and will have nearly 100 companies featuring their latest products, services and technology. All breaks and lunches, and daily Cocktail Receptions (except for Thursday) will be held in the Exhibit Hall to maximize your time with our loyal exhibitors. The hours are as follows:
Tuesday, May 27, 2014 5:00pm - 6:00pm
Wednesday, May 28, 2014 9:00am - 6:00pm
Thursday, May 29, 2014 9:00am - 5:00pm
Friday, May 30, 2014 9:00am - 6:00pm
Saturday, May 31, 2014 9:00am - 1:00pm
The hall will close promptly after lunch on Saturday. Please plan to make your purchases before Saturday to avoid the rush on the last day.

REGISTRATION
The registration form and payment must be received in the AAFPRS Foundation office by Friday, April 18, 2014 in order to qualify for the pre-registration fee. After Friday, April 18, 2014, you will be charged the on-site fee.
Registration fees for physicians, OFPSA members, allied health professionals, and spouses and guests include a badge; on-site program; attendance to all the sessions (unless there is an additional fee involved); entrance to the Exhibit Hall; lunches, morning and afternoon breaks; and the Cocktail Receptions. Spouses/guests who do not register for the meeting but wish to attend the Cocktail Receptions, may purchase a ticket for $100. The spouse/guest fee carries no acknowledgement of course attendance.

Cancellation Policy
Full refunds less a $75 cancellation fee will be honored before Friday, April 18, 2014. After this date, no refunds will be granted. No shows are considered to be an on-site cancellation and therefore will not be eligible for any refunds. A cancellation requires written notification.

Payment and Remittance
Full payment must be made in U.S. funds and must accompany registration. Check must be payable to the AAFPRS Foundation and mailed to: AAFPRS, P.O. Box 759033, Baltimore, MD 21275-9033. Credit card payments may be faxed to (703) 299-8898 or mailed to the AAFPRS office: AAFPRS Foundation, 310 S. Henry Street, Alexandria, VA 22314.

Registration Categories
Please register (using the form located on the back) under any one of these categories:
• Physicians (MDs and DOs) who wish to receive CME credits must register as physicians in the appropriate registration category and designate their medical degree.
• AAFPRS members: Members who meet all membership requirements and have paid their 2014 dues. Physicians who are members of the societies that comprise the International Federation of Facial Plastic Surgery Societies (IFFPSS) fall under this category. (See registration form for list of societies.)
• Non-members: Physicians who are not currently members of the AAFPRS or any society affiliated with the IFFPSS. (See registration form for list of societies.)
• Residents: Member and non-member residents in an ACGME-accredited residency program. Verification of residency from program director must be submitted at time of registration.
• Fellows participarting in an AAFPRS Foundation fellowship program between July 1, 2013 and June 30, 2014.
• Non-physicians Spouses and Guests: A spouse, guest, relative or an individual accompanying a registered physician for social and food functions only. Spouses or guests who wish to attend the scientific sessions and courses, should register under the Allied Health Professionals category.
• OFPSA Members: Facial plastic surgery assistants who are members of the Organization of Facial Plastic Surgery Assistants (OFPSA) should register under this category.

EXHIBITION
New York is the most populous city in the United States and the center of the New York Metropolitan Area, one of the most populous urban agglomerations in the world. The city is referred to as New York City or the City of New York to distinguish it from the State of New York, of which it is a part. A global power city, New York exerts a significant impact upon commerce, finance, media, art, fashion, research, technology, education, and entertainment. The home of the United Nations Headquarters, New York is an important center for international diplomacy and has been described as the cultural capital of the world. New York City, arguably the world's most vibrant and sprawling metropolis, is composed of five boroughs, each with its own distinct identity.

Visit the AAFPRS Web site frequently for program updates: www.aafprs.org/education-meetings.html.
