11th International Symposium of Facial Plastic Surgery

Join us for this memorable educational event as we celebrate the Academy’s 50th Anniversary

Symposium Chair: Jonathan M. Sykes, MD
Program Chair: Anthony P. Sclafani, MD

May 27-31, 2014
New York City, NY

Sponsored by Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery and the International Federation of Facial Plastic Surgery Societies
Greetings to all and thank you for your interest in our program. Every four years, the American Academy of Facial Plastic and Reconstructive Surgery (AAFPS) and the International Federation of Facial Plastic Surgery Societies (IFFPSS) host an international symposium that brings together facial plastic surgeons from all over the world and in the specialties of facial plastic surgery, oculoplastic surgery, dermatologic surgery, plastic and cosmetic surgery. The symposium features the latest trends and technologies in facial plastic surgery by offering lectures, panels, workshops and instruction courses led by experts in the field and an exhibition of over 100 companies displaying and introducing their latest products and services.

What makes this meeting special is the commemoration and celebration of the Academy’s 50th Anniversary. Building on the traditions of the AAFPRS, this meeting explores the latest in techniques and technologies in facial plastic and reconstructive surgery. Internationally renowned facial plastic surgeons will be joined by colleagues in plastic surgery, dermatology and oculoplastic surgery in discussing the nuances of facial plastic surgery. Cadaver labs focusing on rhinoplasty, facelift, endoscopic brow and midface lift, and blepharoplasty and ptosis repair provide hands-on experience to practice the nuances of specific procedures, while separate workshops on energy-based skin rejuvenation and hair restoration provide in-depth coverage of these topics. A two-day practice management course will cover marketing, social media and the Internet and staffing issues in your practice.

This symposium will be held in New York City and in the heart of Times Square which promises to be a venue that will bring fun and excitement to every member of your family. The cultural, recreational and educational opportunities of New York are all within a short distance from the meeting. Join us in New York, the City That Never Sleeps, for cutting-edge, daytime education and fantastic New York experiences afterwards.
INVITATION FROM THE PRESIDENT OF THE AMERICAN ACADEMY OF FACIAL PLASTIC AND RECONSTRUCTIVE SURGERY

Welcome back to "the city that never sleeps", "the Big Apple", "the capital of the world", the Empire City, Gotham, "the center of the universe", or at least our universe the week around the corner. No matter what you call it, it is New York City and it is great to be back for the 11th International Symposium of Facial Plastic Surgery!

Could any place be more alive than this great city? The shows, the food, the arts, and most of all the conglomeration of the world’s most renowned facial plastic surgeons assembled by the meeting chairs Drs. Sykes and Salmela. It is extra special because we are celebrating our Academy’s 50th Anniversary.

The week will be spectacular with courses, presentations, panels, and seminars addressing the tried and true as well as the latest advances in fillers, neuromodulators, reconstructive surgery and cosmetic surgery. Speakers have been assembled from facial plastic surgery, plastic surgery, ophthalmology, dermatology, and the corporate world to help us all improve our patient care and practice management.

What is being offered by our course directors is magnificently cost and not a moment should be missed, however, it is important that we all save some energy for Broadway, Fifth Avenue, the Museum of Modern Art, and Natural History and that grand lady the Statue of Liberty, to mention only a few and barely scratching the surface of what is available to do and see.

Dr. Robert Simons and the 50th Anniversary Committee have worked hard to have a special surprise for everyone that I am indeed looking forward to. This will be a great week, in a great city with a great group of our colleagues from around the world. Please help yourself to her hospitality.

50TH ANNIVERSARY CELEBRATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) will celebrate its 50th Anniversary at this meeting. Big surprises are in store for all meeting attendees, members and non-members alike. Come celebrate with us, enjoy a festive event, have a peek at the brand new Archival Center, participate in new games, walk away with go-gifts... walk down Fifth Avenue has never been this much fun, everything the future has in store for all participants.

Do reserve Thursday May 29, 2014, 6:00pm to 9:00pm, to partake in the party of the year. We will celebrate our anniversary at the Marriott Marquis with great views of the city. Your presence with personal, technical, and social networking will be your contribution for a memorable evening. There is no fee to attend the party, but registration is required. Please indicate your attendance on the registration forms on page 22.

IN INVITATION FROM THE PRESIDENT OF THE INTERNATIONAL FEDERATION OF FACIAL PLASTIC SURGERY SOCIETIES

The 11th International Symposium of Facial Plastic and Reconstructive Surgery is taking place next May in New York City. It may seem far away but it is actually just around the corner.

Such a big and important meeting takes a substantial amount of effort to put together a program. Also, additional work is required as our sister society, the American Academy of Facial Plastic and Reconstructive Surgery is celebrating its 50th Anniversary. A founding society of the IFFPSS, the AAFPRS has been a pillar of the Federation; its members have enriched this organization, while at the same time they have hosted several meetings where international speakers have had the chance to share their experiences, techniques, and to grow alongside as surgeons and friends. We at the Federation are proud to co-sponsor the International Symposium, which we know will be an educational success and memorable event.

As president of the IFFPSS, I take this opportunity to invite you to come to New York, a city that will offer the ideal frame for an international gathering of experts in the field of facial plastic surgery, and to celebrate with our American colleagues a half a century of developing a specialty. The program promises to be an extensive and interesting one, covering all the aspects of surgical and non-surgical procedures, with the participation of worldwide recognized faculty under the expert direction of Jonathan M. Sykes, MD, and Anthony P. Salmela, MD. You cannot miss this wonderful opportunity to visit one of the most beautiful and exciting cities in the world, a week to also help celebrate the AAFPRS’ 50th Anniversary.

ABOUT THE AAFPRS AND ITS FOUNDATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) was founded in 1964 and represents more than 2,500 facial plastic and reconstructive surgeons throughout the world. The AAFPRS is a National Medical Specialty Society of the American Medical Association (AMA). The AAFPRS holds an official seat in the AMA House of Delegates and on the American College of Surgeons board of governors. The majority of AAFPFRS members and fellows are certified by the American Board of Otolaryngology-Head and Neck Surgery, which includes examination in facial plastic and reconstructive surgery procedures, and the American Board of Plastic and Reconstructive Surgery. Other AAFPFRS members are surgeons certified in ophthalmology, plastic surgery, and dermatology.

In 1974, the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS Foundation) was created to address the medical and scientific issues and challenges which confront facial plastic surgeons. The AAFPRS Foundation established a proactive research program and educational resources for leaders in facial plastic surgery. Through courses, workshops, and other scientific presentations, as well as a highly respected fellowship training program, the AAFPRS Foundation has consistently provided quality educational programs for the dissemination of knowledge and information among facial plastic surgeons.

In the early 1990s, FACE TO FACE humanitarian programs were established so that AAFPFRS members could use their skills and share their talent in helping the less fortunate individuals here and abroad.

• FACE TO FACE, International brings AAFPFRS members to third world countries where they treat children with facial birth defects and anomalies.
• FACE TO FACE, The National Domestic Violence Project allows AAFPFRS members to perform surgeries on survivors of domestic abuse here in the United States, who have received injuries to their faces.
• The newest member of FACE TO FACE, FACES OF HONOR, This program offers free surgical care for soldiers who have been injured in the line of duty in Iraq and/or Afghanistan.

The Federation continues to serve its goal of improving communication and cooperation among all of our societies for improving educational programs and other programs that benefit patients. The most important aspect of the history and future of the Federation, however, are the many relationships developed and our ability to improve the quality of facial plastic surgery around the globe.

ABOUT THE IFFPSS

The International Federation of Facial Plastic Surgery Societies (IFFPSS) is a group of societies of facial plastic surgeons from various countries around the world. This Federation was formed in 1997 after extensive discussions initiated by the AAFPRS. The member societies of the IFFPSS are:

• American Academy of Facial Plastic and Reconstructive Surgery
• ASEAN Academy of Facial Plastic and Reconstructive Surgery
• Australasian Society of Facial Plastic Surgery
• Brazilian Academy of Facial Plastic Surgery
• Canadian Academy of Facial Plastic and Reconstructive Surgery
• Colombian Society of Facial Plastic Surgery
• Ecuadorian Society of Rhinology and Facial Surgery
• European Academy of Facial Plastic Surgery
• Korean Academy of Facial Plastic and Reconstructive Surgery
• Mexican Society of Rhinology and Facial Surgery
• Paul Asia Academy of Facial Plastic and Reconstructive Surgery
• Taiwan Academy of Facial Plastic and Reconstructive Surgery
• Venetian Society of Rhinology and Facial Plastic Surgery

The Federation continues to serve its goal of improving communication and cooperation among all of our societies for improving educational programs and other programs that benefit patients. The most important aspect of the history and future of the Federation, however, are the many relationships developed and our ability to improve the quality of facial plastic surgery around the globe.

CONTACT

For questions about any of the information contained in this brochure, please contact:
AAFPFRS Foundation
330 S. Henry Street
Alexandria, VA 22314
Phone: (703) 299-5291
Fax: (703) 299-4989
E-mail: info@aafprs.org
Web site: www.aafprs.org
Visit the AAFPRS Web site frequently for program updates: www.aafprs.org/ed-meetings.html.
The meeting is offered for continuing medical education of medical students, residents, fellows, and practicing physicians (MDs and DOs) in the field of facial plastic surgery. The program is for physicians with all levels of experience and covers aesthetic, reconstructive, and congenital issues relevant to this specialty.

ACCREDITATION/CREDIT DESIGNATION

The AAPPRS Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAPPRS Foundation designates this live activity for up to 38.25AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

EVALUATION AND CME CREDITS

With the launch of the AAPPRS Foundation’s LEARN (Lifelong Educational and Research Network) in 2013, we now have the capability of capturing meeting evaluation responses and award CME credits to participants on line at www.aapprs.learn.org.

Please note that in order to access your personal LEARN account, you will need to know your AAPPRS log on ID and password. If you do not have your current AAPPRS log on ID and password, please e-mail Karen Stoot at the meeting, kslor@aabps.org, and she will provide you with the necessary information to complete your evaluation and claim your CME Credits. Knowing this information ahead of time will avoid delay in obtaining your credits on-site.

There is a Tutorial on the LEARN home page that will describe the various aspects of the site and how each can assist you in building your personal educational experience. Don’t wait; visit the LEARN site today at: https://www.aapprslearn.org/tutorials/index.html.

LEARNING OBJECTIVES

At the conclusion of the meeting, participants should be able to:

- Discuss the range of facial techniques and to choose the correct technique for each patient.
- Incorporate techniques of face lifting into patient care to improve safety and outcomes.
- Describe the various aspects of the site and how each can assist you in building your personal educational experience.
- Understand the interplay and relationship between the various aspects of the site.

HOTEL AND MEETING SITE

The symposium will be held at the Marquis (1535 Broadway, New York, NY 10036) located in the heart of Times Square. Special group rates have been reserved for attendees starting at $269 a night. Reservations on-line, as well as take advantage of any room upgrades, amenities or other services offered by the hotel. Visit the link: https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=10721508 or call (877) 303-0104; (212) 398-1900.

To make your arrangements, participants should contact the Marquis at (212) 398-1900 for reservations. To improve safety and outcomes, incorporate techniques of face lifting into patient care to improve safety and outcomes. Attendees are encouraged to arrive early to take advantage of the exhibits and presentations.

Incorporate techniques of face lifting into patient care to improve safety and outcomes. Attendees are encouraged to arrive early to take advantage of the exhibits and presentations.

MEETING FORMAT

This year’s symposium will be different from the past—it offers a different format and features more talks and lectures, labs, and workshops. Each day will have different “tracks” with different schedules. Make sure you pay attention to the daily schedule. There will be panels and lectures happening in one “track” while there are instruction courses and free papers happening concurrently. This will allow you to pick and choose as you please and not be tied down to one room. Take note that there are three half-day labs on Thursday and two half-day labs on Friday and there is an additional fee to attend the labs. The Exhibit Hall will be open from 9:00 a.m. to 4:00 p.m. daily and varying breaks and lunches, you will be able to access the hall at all times.

PRESENTATION SCHEDULE

Plenary sessions and symposiums will be open from 9:00 a.m. to 4:00 p.m. daily and with varying breaks and lunches, you will be able to access the hall at all times.

MISCELLANEOUS EVENTS
Cocktail Reception
At the end of the day on Tuesday, Wednesday, and Friday, gather in the Exhibit Hall for a Cocktail Reception. Unwind, mingle with your colleagues, and check out the latest instruments, technology, and services that our exhibitors have to offer.

St. John FACE TO FACE Benefit
The AAFPRS is partnering up with St. John New York Boutique to bring you an exclusive fashion event. Enjoy a private informal modeling of the collection, passed hors d’oeuvres, champagne and shopping. Treat yourself to the iconic style of St. John. A percentage of proceeds shall benefit the Academy’s FACE TO FACE programs. The event will take place at St. John Boutique, 665 Fifth Avenue, on Wednesday, May 28, 2014, from 4:30pm to 6:30pm.

Media Training Workshop
Fine tune your media skills on May 30, 2014, 5:30pm to 7:30pm, with Jane Hanson. Jane is a nine time Emmy Award winner who has 30 years of broadcast experience. Many of you know her from her time as the Host of The TODAY Show (1988-2003) or her days of anchoring NBC New York News. Reconnect with Jane in a more intimate setting as she applies her broadcast experience to meet your media needs. Jane will offer a two-hour didactic course showing our membership how to present at present on air or how to deliver a persuasive interview. Take your media expertise to the next level, refine your message, become even more clear, concise and compelling.

Industry Sponsored Events
These may be Industry Sponsored Events added to the program in the early evening. Please check the AAFPRS Web site frequently for updates on the program. www.aafprs.org/Education-meetings.html.

ANNIVERSARY CELEBRATION

The sessions on Thursday end at 5:00pm. Go finish up and get ready to party at the party of the year. Don’t miss the 50th Anniversary celebration on Thursday, May 29, 2014, 6:00pm to 9:00pm, at the Marriott Marquis with great views of the city, international food stations, drinks, and entertainment. This will make this a memorable evening.
Broadway theatre is theatrical performances presented in one of the 40 professional theatres with 500 or more seats located in the Theater District and Lincoln Center along Broadway, in New York City. According to The Broadway League, Broadway shows sold approximately $1.081 billion worth of tickets in calendar year 2014.
New York is the most populous city in the United States and the center of the New York Metropolitan Area, one of the most populous urban agglomerations in the world. The city is referred to as New York City or the City of New York to distinguish it from the State of New York, of which it is a part. A global power city, New York exerts a significant impact upon commerce, finance, media, art, fashion, research, technology, education, and entertainment. The home of the United Nations Headquarters, New York is an important center for international diplomacy.said about their most valued, coveted tools in the office.

The hall will close promptly after lunch on Saturday. Please plan to make your purchases before Saturday to avoid the rush on the last day.

Cancellation Policy

Full refunds less a $75 cancellation fee will be honored before Friday, April 18, 2014. After this date, no refunds will be granted. No shows are considered to be an on-site cancellation and therefore will not be eligible for any refunds. A cancellation requires written notification.

Registration Categories

Please register (using the form located on the back) under any one of these categories:

Physicians

MDs and DOs who wish to receive CME credits must register as physicians in the appropriate registration category and designate their medical degree.

AAFPRS members: Members who meet all membership requirements and have paid their 2014 dues. Physicians who are members of the societies that comprise the International Federation of Facial Plastic Surgery Societies (IFFPSS) fall under this category. (See registration form for list of societies.)

Residents: Member and non-member residents in an ACGME-accredited residency program. Verification of residency from program director must be submitted at time of registration.

Fellowship Participants: Fellows participating in an AAFPRS Foundation fellowship program between July 1, 2013 and June 30, 2014. (See registration form for list of societies.)

Non-members: Physicians who are not currently members of the AAFPRS or any society affiliated with the IFFPSS. (See registration form for list of societies.)

Residents and non-members accompanying residents in an ACGME-accredited residency program may purchase a ticket for $100. The spouse/guest fee carries no acknowledgement of course attendance.

EXHIBITION

The Exhibition Hall is where it all happens! The exhibition will be huge and will have nearly 100 companies featuring their latest products, services and technology. All breaks and lunches, and daily Cocktail Receptions (except for Thursday) will be held in the Exhibit Hall to maximize your time with our loyal exhibitors. The hours are as follows:

Tuesday, May 27, 2014 5:00pm - 6:00pm
Wednesday, May 28, 2014 9:00am - 6:00pm
Thursday, May 29, 2014 9:00am - 5:00pm
Friday, May 30, 2014 9:00am - 6:00pm
Saturday, May 31, 2014 9:00am - 1:00pm
