ON-SITE PROGRAM
11th International Symposium of Facial Plastic Surgery
Celebrating the Academy’s 50th Anniversary

Symposium Chair: Jonathan M. Sykes, MD
Program Chair: Anthony P. Sclafani, MD

May 27-31, 2014
New York City, NY

Sponsored by the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery and the International Federation of Facial Plastic Surgery Societies
Greetings to all and welcome to the 11th International Symposium of Facial Plastic Surgery! Every four years, the American Academy of Facial Plastic and Reconstructive Surgery (AAFPS) and the International Federation of Facial Plastic Surgery Societies (IFFPSS) host an international symposium that brings together facial plastic surgeons from all over the world and in the specialties of facial plastic surgery, oculoplastic surgery, dermatologic surgery, plastic and cosmetic surgery. This year’s symposium features the latest trends and technologies in facial plastic surgery by offering lectures, panels, workshops and instruction courses led by experts in the field and an exhibition of over 100 companies displaying and introducing their latest products and services.

What makes this meeting even more special is the commemoration and celebration of the Academy’s 50th Anniversary. Building on the traditions of the AAFPRS, this meeting explores the latest in techniques and technologies in facial plastic and reconstructive surgery. Internationally renowned facial plastic surgeons will be joined by colleagues from plastic surgery, dermatology and oculoplastic surgery in discussing the nuances of facial plastic surgery. Cadaver labs focusing on rhinoplasty, facelift, endoscopic brow and midface lift, and blepharoplasty and ptosis repair provide hands-on experience to practice the nuances of specific procedures, while separate workshops on energy-based skin rejuvenation and hair restoration provide in-depth coverage of these topics. A two-day practice management course will cover marketing, social media and the Internet and staffing issues in your practice.

This symposium will be held in New York City and in the heart of Times Square which promises to be a venue that will bring fun and excitement to every member of your family. The cultural, recreational and educational opportunities of New York are all within a short distance from the meeting. Like New York itself, take advantage of all that this Symposium offers! Busy, knowledge-filled days, exciting, enjoyable nights—this will be a meeting you never forget! Join us in New York, “The City That Never Sleeps,” for cutting-edge daytime education and fantastic New York experiences afterwards.
INVITATION FROM THE PRESIDENT OF THE AMERICAN ACADEMY OF FACIAL PLASTIC AND RECONSTRUCTIVE SURGERY

Welcome back to “the city that never sleeps”, “the Big Apple”, “the capital of the world”, the Empire City, Gotham, “the center of the universe”, or at least our universe this week of the meeting. No matter what you call it, it is New York City and it is great to be back for the 11th International Symposium of Facial Plastic Surgery!

Could any place be more alive than this great city? The shows, the food, the arts, and most of all the conglomeration of the world’s most renowned facial plastic surgeons assembled by the meeting chairs Drs. Sykes and Sclafani. It is extra special because we are celebrating our Academy’s 50th Anniversary.

The week will be spectacular with courses, presentations, panels, and seminars addressing the tried and true as well as the latest advances in fillers, neuromodulators, reconstructive surgery and cosmetic surgery. Speakers have been assembled from facial plastic surgery, plastic surgery, ophthalmology, dermatology, and the corporate world to help us all improve our patient care and practice management.

What is being offered by our course directors is magnificent and not a moment should be missed, however, it is important that we all save some energy for Broadway, Fifth Avenue, the Museums of Modern Art, and Natural History and that grand lady the Statue of Liberty, to mention only a few and barely scratching the surface of what is available to do and see.

Dr. Robert Simons and the 50th Anniversary Committee have worked hard to have a special surprise for everyone that I am indeed looking forward to. This will be a great week, in a great city with a great group of our colleagues from around the world. Please help yourself to her hospitality.

50TH ANNIVERSARY CELEBRATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) will celebrate its 50th Anniversary this meeting. Big surprises are in store for all meeting attendees, members and non-members alike. Come celebrate with us...enjoy a festive event, have a peek at the brand new Archival Center, participate in trivia games, walk away with give aways...a walk down memory lane has never been this much fun. See what the future has in store for all participants.

Do reserve Thursday, May 29, 2014, 6:00pm to 9:00pm, to participate in the party of the year. We will celebrate our anniversary at the Marriott Marquis with great views of the city. Your presence with international food stations, drinks, and entertainment will make this a memorable evening. There is no fee to attend the party, but registration is required. If you have not reserved your space, please visit the registration desk.

50th Anniversary Committee
Robert L. Simons, MD, Chair
Peter A. Adamson, MD
Donn R. Chatham, MD
Fred G. Fedok, MD
Grant S. Gillmanual, MD
Grant S. Hamilton, III, MD
Samuel M. Lam, MD
E. Gaylon McCollough, MD
William E. Silver, MD
Fred J. Stracker, MD
Ivan Wayne, MD

The 11th International Symposium is sponsored by the AAFPRS Foundation and the IFFPSS.

ABOUT THE AAFPRS AND ITS FOUNDATION

The American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) was founded in 1964 and represents more than 2,500 facial plastic and reconstructive surgeons throughout the world. The AAFPRS is a National Medical Specialty Society of the American Medical Association (AMA). The AAFPRS holds an official seat in the AMA House of Delegates and on the American College of Surgeons board of governors.

The majority of AAFPRS members and fellows are certified by the American Board of Otolaryngology-Head and Neck Surgery, which includes examination in facial plastic and reconstructive surgery procedures, and the American Board of Facial Plastic and Reconstructive Surgery. Other AAFPRS members are surgeons certified in ophthalmology, plastic surgery, and dermatology.

In 1974, the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS Foundation) was created to address the medical and scientific issues and challenges which confront facial plastic surgeons.

The AAFPRS Foundation established a proactive research program and educational resources for leaders in facial plastic surgery. Through courses, workshops, and other scientific presentations, as well as a highly respected fellowship training program, the AAFPRS Foundation has consistently provided quality educational programs for the dissemination of knowledge and information among facial plastic surgeons.

In the early 1990s, FACE TO FACE humanitarian programs were established so that AAFPRS members could use their skills and share their talent in helping the less fortunate individuals here and abroad.

• FACE TO FACE: International brings AAFPRS members to third world countries where they treat children with facial birth defects and anomalies.

• FACE TO FACE: The National Domestic Violence Project allows AAFPRS members to perform surgeries on survivors of domestic abuse here in the United States, who have received injuries to their faces.

• The newest member to FACE TO FACE is FACES OF HONOR. This program offers free surgical care to soldiers who have been injured in the line of duty.

The AAFPRS wishes to thank PCA Skin for their non-educational grant to support the IFFPSS Board dinner.

EFRAIN DALAVOS AWARD

The Efrain Davalos Award is given every four or five years to a physician outside of the U.S. and Canada who has made significant contributions to facial plastic surgery. At this 11th International Symposium, the distinguished award will be given to Joao Maniglia, MD, from Brazil. He was the Brazilian representative at the IFFPSS from 2000 to 2010 where he significantly helped in making the presence of facial plastic surgery in Brazil stronger. He has been a stalwart contributor through his work in the Federation. Dr. Maniglia will be recognized on Friday, May 30, 2014 at 11:30am, TRAIN 1, Broadway Ballroom.

ABOUT THE IFFPSS

The International Federation of Facial Plastic Surgery Societies (IFFPSS) is a group of societies of facial plastic surgeons from various countries around the world. This Federation was formed in 1997 after extensive discussions initiated by the AAFPRS. The member societies of the IFFPSS are:

• American Academy of Facial Plastic and Reconstructive Surgery
• ASEAN Academy of Facial Plastic and Reconstructive Surgery
• Australasian Academy of Facial Plastic Surgery
• Brazilian Academy of Facial Plastic Surgery
• Canadian Academy of Facial Plastic and Reconstructive Surgery
• Colombian Society of Facial Plastic Surgery and Rhinology
• Ecuadorian Society of Rhinology and Facial Surgery
• European Academy of Facial Plastic Surgery
• Korean Academy of Facial Plastic and Reconstructive Surgery
• Mexican Society of Rhinology and Facial Surgery
• Pan Asia Academy of Facial Plastic and Reconstructive Surgery
• Taiwan Academy of Facial Plastic and Reconstructive Surgery
• Venezuelan Society of Rhinology and Facial Plastic Surgery

The Federation continues to serve its goal of improving communication and cooperation among all of our societies for many educational programs and other programs that benefit patients. The most important aspect of the history and future of the Federation, however, are the many relationships developed and our ability to improve the quality of facial plastic surgery around the globe.
TARGET AUDIENCE
The meeting is offered for continuing medical education of medical students, residents, fellows, and practicing physicians (MDs and DOs) in the field of facial plastic and reconstructive surgery. The program is for physicians with all levels of experience and covers aesthetic, reconstructive, and congenital issues relevant to this specialty.

ACCREDITATION/CREDIT DESIGNATION
The AAFPRS Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAFPRS Foundation designates this live activity for up to 39.25AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

EVALUATION AND CME CREDITS
With the launch of the AAFPRS Foundation’s LEARN (Lifelong Educational and Research Network) in 2013, we now have the capability of capturing meeting evaluation responses and award CME credits to participants on line at www.aafprs-learn.org.

Please note that in order to access your personal LEARN account, you will need to know your AAFPRS log on ID and password. If you do not know your current AAFPRS ID and password, please visit Karen Sloat in the registration area and she will provide you with the necessary information to complete your evaluation and claim your CME Credits. Knowing this information ahead of time will avoid delay in obtaining your credits on-site.

MEETING FORMAT
This year’s symposium is different from the past—it offers a different format and features more talks and lectures, labs, and workshops. Each day has different “trains” with different schedules. Make sure you pay attention to the daily schedule. There are panels and lectures happening in one “train” while there are instruction courses and free papers happening concurrently. This allows you to pick and choose as you please and not be tied down to one room. Take note that there are three half-day labs on Thursday and two-half day labs on Friday and there is an additional fee to attend the labs. The Exhibit Hall will be open from 9:00am to 6:00pm daily and with varying breaks and lunches, you will be able to access the hall at all times.

CORRECTIONS FROM PAGES 5 AND 6
- In the late symposium section, there is a mistake regarding the schedule for Wednesday, May 28, 2014. The correct times are from 7:00am to 5:00pm.
- In the CME Credits section, the deadline for claiming credits is incorrect. It should be 6:00pm on Tuesday, Wednesday, and Friday.
- The Coronary Revascularization workshop on Thursday, May 29, 2014, should be scheduled from 7:00am to 1:00pm, not 9:00am to 1:00pm.
- The Costume Party on Friday, May 30, 2014, should be scheduled from 6:00pm to 9:00pm, not 5:00pm to 9:00pm.

There are an app for that! Download the AAFPRS 11th International Mobile App! Visit the App Store or Google Play and search for AAFPRS. See what’s going on. Plan your agenda. Sign up for push notices to get the latest updates and important notifications.

Warning
Registrants for this course understand that medical and scientific knowledge is constantly evolving and that the views and techniques of the instructors are their own and may reflect innovations and opinions not universally shared. The views and techniques of the instructors are not necessarily those of the Academy or its Foundation but are presented in the forum to advance scientific and medical education. Registrants waive any claim against the Academy or its Foundation arising out of information presented in this course. Registrants also understand that operating rooms and health-care facilities present inherent dangers. Registrants waive any claim against the Academy or its Foundation or呂ar entity for any way from course participation. This educational program is not designed for certification purposes. Neither the AAFPRS nor its Foundation provides certification of proficiency for those attending.

LEARNING OBJECTIVES
At the conclusion of the meeting, participants should be able to:
- Discuss the range of facelift techniques and to choose the correct technique for each patient.
- Incorporate techniques of face lifting into patient care to improve safety and outcomes.
- Integrate advanced rhinoplasty techniques into patient care for optimal results.
- Confidently manage complications of rhinoplasty and blepharoplasty, and utilize techniques to minimize these complications.
- Apply the approaches and techniques of respected surgeons to optimize results in repair of congenital deformities, such as cleft lip and palate and microtia, as well as reconstructions of the face after cancer removal.

REGISTRATION
Broadway Foyer, 6th Floor
Registration fees for physicians, OFPSA members, allied health professionals, and spouses and guests include a badge on-site program; attendance to all the sessions (unless there is an additional fee involved); entrance to the Exhibit Hall; lunches, morning and afternoon breaks; and the Cocktail Receptions. Spouses/guests who are not registered for the meeting but wish to attend the Cocktail Receptions, may purchase a ticket for $100. The spouse/guest fee carries no acknowledgement of course attendance. Registration hours are as follows:
- Tuesday, May 27, 2014: 7:00am - 5:00pm
- Wednesday, May 28, 2014: 7:00am - 5:00pm
- Thursday, May 29, 2014: 7:00am - 5:00pm
- Friday, May 30, 2014: 7:00am - 5:00pm
- Saturday, May 31, 2014: 8:00am - 3:00pm

COCKTAIL RECEPTION
Exhibit Hall, Westside Ballroom and Foyer, 5th Floor
Conclude your day with the opportunity to meet and greet friends from all over the globe. Visit our loyal exhibitors and see what they have to offer. The Cocktail Receptions will be held in the Exhibit Hall from 5:00pm to 6:00pm on Tuesday, Wednesday, and Friday. Guest and spouses who are not registered for the meeting may purchase tickets to attend the receptions. Visit the Registration Desk.

50th ANNIVERSARY CELEBRATION
Broadway Lounge, 8th Floor
The sessions on Thursday end at 5:00pm. Go freshen up and get ready to participate in the party of the year. Don’t miss the 50th Anniversary celebration on Thursday, May 29, 2014, 6:00pm to 9:00pm, at the Marriott Marquis with great views of the city... international food stations, drinks, and entertainment will make this a memorable evening. Everyone is invited to attend and there is no fee to attend. If you have not signed up to attend the party, please visit the Registration Desk. Attire: Black tie optional

FOREVER YOUNG MOVIE PRESENTATION
Broadway Ballroom, 6th Floor
This meeting will be extra special because of our 50th Anniversary. One event that shouldn’t be missed is the premier showing of "Forever Young". This documentary based on the past, present and future of our "Academy family" has already drawn rave reviews from preview audiences:
- "The cameo roles were unbelievable!"
- "Richard Parrior deserves Oscar consideration."
- "Sensors, Chaffin and Cox have once again delivered a blockbuster!"
Make sure you are present to see what all the buzz is about, Wednesday, May 28, 2014 at 1:15pm.

AFFPRS MEMBERSHIP BOOTH
Exhibit Hall, Booth 408
Make sure you come by the AAFPRS booth and have a peak at the new AAFPRS Archival Center along with other surprises and games. Have your 50th Anniversary book signed by past presidents and have your photo taken with your colleagues, past presidents, and friends.

EXHIBITION
Westside Ballroom and Foyer, 5th Floor
The Exhibition Hall is where it all happens! The exhibition is huge and we have nearly 100 companies featuring their latest products, services and technologies. All breaks and lunches, and daily Cocktail Receptions (except for Thursday) will be held in the Exhibit Hall to maximize your time with our loyal exhibitors. The hours are as follows:
- Tuesday, May 27, 2014: 5:00pm - 6:00pm
- Wednesday, May 28, 2014: 9:00am - 6:00pm
- Thursday, May 29, 2014: 9:00am - 5:00pm
- Friday, May 30, 2014: 9:00am - 6:00pm
- Saturday, May 31, 2014: 9:00am - 1:00pm

The hall will close promptly after lunch on Saturday. Please plan to make your purchases before Saturday to avoid the rush on the last day.

DAY 1: Tuesday, May 27, 2014

1 TRAIN -- Broadway Ballroom, 6th Floor

8:45am Welcome and Introduction from the Chairs
Jonathan M. Sykes, MD and Anthony P. Scialfani, MD

9:15am The State of the Specialty
Edward H. Fairier, MD, AAFPRS President and
José Juan Montes, MD, IFFPSS President

9:45am PANEL: Changing World, Changing Faces
Moderator: J. Regan Thomas, MD
Panelists: Rosana Cobo, MD; Fazil Ayapdin, MD; Heshem Saleh, MD; Yong Jia Jang, MD, and Anthony Brissetti, MD

11:15am Critics, Questions and Answers

11:30am Lunch

Titans of Facial Plastic Surgery
Twelve giants in our field give their personal and historical perspectives.

12:30pm Global Facial Beauty
Peter A. Adamson, MD

12:50pm Facelift Longevity: Does Technique Make a Difference?
Daniel Bakes, MD

1:10pm The Rhinoplasty Dichotomy: Is What We Hear at Meetings What Our Rhinoplasty Patients Really Want?
Pietro Palma, MD

1:30pm The Future of Oculoplastic Surgery, 
Robert A. Goldberg, MD

1:50pm Pushing the Envelope in Rhinoplasty
Dean M. Toniumi, MD

2:10pm The Business of Facial Plastic Surgery
Edwin F. Williams, III, MD

2:30pm Q&A

2:40pm Break

Titans of Facial Plastic Surgery
2:50pm My Personal Evolution of Caring for Patients with Oral Clefting: A Humbling but Joyful Career
Jonathan M. Sykes, MD

3:10pm How to Achieve Excellent Results in Facial Reconstruction: My Long Term Experience
Fred Menick, MD

3:30pm Robotic Head and Neck Reconstruction: The Future?
Eric Genden, MD

3:50pm How to Achieve Excellent Results in Facial Reconstruction: My Long Term Experience
Fred Menick, MD

4:10pm Practical Aesthetics: Making a Nose that Fits the Face
Mark Constantian, MD

4:30pm Auricular Reconstruction--Surgical Innovations, Training Methods and an Attempt for a Look Forward
Ralph Magritz, MD

4:50pm Anatomy of Numbness in Facial Rejuvenation
Patrick Trevidic, MD

5:00pm Cocktail Reception in the Exhibit Hall

COCKTAIL RECEPTION
Exhibit Hall, Westside Ballroom and Foyer, 5th Floor
Conclude your day with the opportunity to meet and greet friends from all over the globe. Visit our loyal exhibitors and see what they have to offer. The Cocktail Receptions will be held in the Exhibit Hall from 5:00pm to 6:00pm on Tuesday, Wednesday, and Friday.

DAY 1: Tuesday, May 27, 2014

2 TRAIN -- Royale/Plymouth

7 TRAIN -- Manhattan Ballroom, 8th Floor

9:45am PANEL: Facial Reconstruction Case Studies: Cases that Helped Define My Techniques
Moderator: Stephen S. Park, MD
Panelists: Steven R. Mobley, MD, Wm. Russell Ries, MD; Peter A. Hilger, MD; Tom D. Wang, MD; Gregory Renner, MD; MD Hyung Ryeal Jin, MD; and Alexander Berghaus, MD

11:15am Critics, Questions and Answers

11:30am Lunch

N TRAIN -- Marquis Ballroom, 9th Floor

9:30am PANEL: Emerging Technologies -- Proven Results?
Moderator: John S. Rhine, MD
The Next Generation in BoNTA: A Longer Lasting Injectable and Topically Applied Product – A New Portfolio to Meet Patient Needs
Jonathan M. Sykes, MD

What’s New in Laser-Assisted Face Lifting
Richard D. Gentile, MD

Emerging Technologies in Facial Reanimation: Bionic Approaches - Fantasy or Reality?
Tessa A. Hadlock, MD

Do Certain Topical Products Improve Incisional Scarring?
David B. Horn, MD

Forehead Rejuvenation with Radiofrequency Nerve Fiber Treatment
James Newman, MD

Myths and Realities of Skin Tightening
Neil Sadick, MD

Costal Cartilage: New Paradigms and Approaches for Sectioning and Use
Brian Wong, MD

11:15am Critics, Questions and Answers

11:30am Lunch

A A F P R S Video Learning Center

Exhibit Hall, Booths 515-517
The popular AAFPRS Video Learning Center will be present and will be open to all meeting attendees. The John Dickinson Memorial Library has over 275 procedural and instructional DVDs which you can view at the meeting. You may also purchase the DVDs on-site and receive a 10% meeting discount. The AAFPRS Video Learning Center is partially funded by Implantech.

DAY 1: Tuesday, May 27, 2014

2 TRAIN -- Royale/Plymouth

7 TRAIN -- Manhattan Ballroom, 8th Floor

9:45am T1 Creating Facial Beauty and Facial Rejuvenation
H. George Brennan, MD

9:45am T2 Managing the Tear Trough and Lower Eyelid-Cheek Junction
Mark Hamilton, MD and Fred G. Fedok, MD

10:30am Break

10:45am T7 Management of Facial Trauma
John M. Hoffman, MD and Sydney Butts, MD

11:30am Lunch

See the bright lights of Times Square from this first-class accommodation, the New York Marriott Marquis. Ideal for business, family, and leisure travelers, the Marquis boasts spacious, newly renovated guestrooms, most with fantastic city views. All of the Big Apple’s attractions are easily accessible from this hotel’s central location: the Broadway Theater District, Madison Avenue shopping, Radio City Music Hall, Rockefeller Center and NBC Studio tours are just a short walk or cab ride away. And after a long day of travel, you’ll be able to wind down in the new Marriott Revive bed dressed with down comforters and 300-thread-count linens.

For a truly unique experience, head up to the View Restaurant and Lounge, New York City’s only revolving rooftop restaurant, featuring New York State cuisine and wines. To satisfy all ... has a number of other dining establishments on site, including the Encore, the Atrium Lounge, Kenton Sushi Bar, Starbucks Coffee, and the Broadway Lounge. You’ll be able to keep up your daily fitness routine at the Fit for You Program, a state-of-the-art 4,000 square foot fitness center that offer breathtaking views of Midtown. All of these amenities and many more make the New York Marriott Marquis your home away from home for the length of your trip.

DAY 1: Tuesday, May 27, 2014

3 TRAIN -- Urs/Shaubert

9:45am T2 A Tailored Approach to Rhinoplasty: From Simple to Difficult
Antonio Sousa Vieira, MD and Kris Conrad, MD

9:45am T3 Managing the Twisted Nose from Mild to Severe
Hun Jong Dohng, MD

10:30am Break

10:45am T8 Surgical Management of Chronic Facial Paralysis
Peter D. Costantino, MD and Monica Tadros, MD

11:30am Lunch

The Statue of Liberty is a colossal neoclassical sculpture on Liberty Island in the middle of New York Harbor, in Manhattan, New York City. The statue, designed by Frédéric Auguste Bartholdi and dedicated on October 28, 1886, was a gift to the United States from the people of France. The statue is of a robed female figure inscribed the date of the American Declaration of Independence, July 4, 1776. A broken chain lies at her feet. The statue is an icon of freedom and signal to immigrants arriving from abroad.
DAY 2: Wednesday, May 28, 2014

2 TRAIN — Royale/Plymouth
6th Floor — Instruction Courses

7:45am W1 Tips and Techniques for Lower Blepharoplasty
Bijl Foster, MD and Allen Patterman, MD

8:30am Break

8:45am W6 Anatomic Basis to Avoiding Blepharoplasty Complications
Shan R. Baker, MD and William Mack, MD

9:30am Break

9:45am W11 Lasers in Aging Face Surgery
Richard D. Gentile, MD, MBA and David Goldberg, MD

10:45am W16 Upper Blepharoplasty and Ptosis Repair
Alan Patterman, MD and William Mack, MD

12:00pm Lunch in the Exhibit Hall

1:00pm W21 The Deviated Nose
Miriam Boensic, MD and Jamie DeRosa, MD

1:45pm Break

2:00pm W26 Is There a Role for a Minimally Invasive Facelift? — Keynote
E. Gaylon McCollough, MD; Harry Mittelman, MD; and Fred G. Fedok, MD

2:45pm Break

3:15pm W31 Correction of the Severely Deviated Septum
Farz Afsai, MD, and Jose Jarudo, MD

4:00pm Break

4:15pm W36 Ethnic Considerations in Rhinoplasty
Roxana Cobo, MD; Sam Rizk, MD; and Armando Boccieri, MD

5:00pm Cocktail Reception in the Exhibit Hall

5:00pm Cocktail Reception in the Exhibit Hall

Lincoln Center for the Performing Arts is home to 12 influential arts organizations, including the Metropolitan Opera, New York City Opera, New York Philharmonic, and New York City Ballet.

The AAFPRS wishes to thank Merz Aesthetics for their non-educational grant to support the Wednesday Cocktail Reception.

DAY 2: Wednesday, May 28, 2014

3 TRAIN — Uris/Shubert
6th Floor — Instruction Courses

4:15pm W37 Contemporary Management of Microtia
Ria Tramontini, MD and Derek Kofi Boahene, MD

5:00pm Cocktail Reception in the Exhibit Hall

5:00pm Cocktail Reception in the Exhibit Hall

C TRAIN — Palace
6th Floor — Instruction Courses

7:45am W4 Complex Forehead and Brow Reconstruction
Lisa Grunebaum, MD, Wendy Lee, MD, and Sara Waster, MD

8:30am Break

8:45am W9 Contemporary Management of Orbital Fractures
John Hoffmann, MD and Mehmet Mansal, MD

9:30am Break

9:45am W14 Non-Endoscopic Browlift: Simplified
Henry Spinelli, MD and Lucas Patrocinio, MD

10:45am W19 Contouring of the Cheek, Midface and Jaw
Philip J. Miller, MD and Stephen W. Perkins, MD

12:00pm Lunch in the Exhibit Hall

1:00pm W24 Planning Successful Facial Reconstruction
Sydney Butt, MD and Krishna Patel, MD

1:45pm Break

2:00pm W28 Surgery for Migraines: A New Niche for Facial Plastic Surgery
Marcos Hochman, MD

2:45pm Break

3:15pm W32 Nasal Dorsal Augmentation on the Asian Nose
In Sang Kim, MD; Cesar Villafuerte, Jr., MD; and Eduardo Yap, MD

4:00pm Break

4:15pm W37 Contemporary Management of Microtia
Ria Tramontini, MD and Derek Kofi Boahene, MD

5:00pm Cocktail Reception in the Exhibit Hall

5:00pm Cocktail Reception in the Exhibit Hall

R TRAIN — Cantor/Jolson
6th Floor Free Papers

7:45am Free Papers Presentations (see page 20)

8:15am Free Papers Presentations (see page 20)

MISCELLANEOUS EVENTS

Cocktail Reception
At the end of the day on Tuesday, Wednesday, and Friday, gather in the Exhibit Hall for a Cocktail Reception. Unwind, mingle with your colleagues, and check out the latest instruments, technology, and services that our exhibitors have to offer.

St. John Benefit
The AAFPRS is partnering up with St. John New York Boutique to bring you an exclusive fashion event. Enjoy a private informal modeling of the collection, passed hors d’oeuvres, champagne and shopping with AAFPRS ambassadors. Mrs. Sheldon S. Kabaker; Mrs. Daniel E. Rouss; and Mrs. Mark V. Connely. Treat yourself to the iconic style of St. John. A percentage of proceeds shall benefit the Academy’s FACE TO FACE programs. The event will take place at St. John Boutique, 665 Fifth Avenue, on Wednesday, May 28, 2014, from 4:30pm to 6:30pm. To RSVP, please call St. John Boutique directly at (212) 755-3252.

Anniversary Celebration
The sessions on Thursday end at 5:00pm. Go freshen up and get ready to join the party of the year. Don’t miss the 50th Anniversary celebration on Thursday, May 29, 2014, 6:00pm to 9:00am, at the Marriott Marquis. There is no fee to attend; stop by the Registration Desk to sign up. Attire: Black tie, optional.

Media Training Workshop
Wildor Room
Non-CME
Fine tune your media skills on Friday, May 30, 2014, 8:30pm to 9:30pm, with Jane Offer, a two-time Emmy Award winner who has 30 years of broadcast experience. Many of you know her from her time as the Host of The TODAY Show (1988-2003) or her days of anchoring NBC New York News. Reconnect with Jane in a more intimate setting as she applies her broadcast experience to meet your media needs. Jane will offer a two-hour didactic course showing how membership can best present on air or how to better deliver an in-person interview. Jane offers powerful tools of the trade that will give our members an even greater advantage. "Refined techniques will be served. To sign up, visit the Registration Desk."

We thank Valeant Pharmaceuticals North America, LLC, for underwriting this event with a non-educational grant.
Continued... FRIDAY, May 30, 2014

E TRAIN – Winter Garden 6th Floor – Instruction Courses

7:45am  F4 Microtia Repair with Porous Polyethylene
Tom Romeo, III, MD and John Reinisch, MD

8:30am  Break

8:45am  F9 Correcting Rhinoplasty Complications
Miriam Boenisch, MD and Perry Burstin, MD

9:30am  Break

9:45am  F14 Microtia Repair
Scott A. Tatsumi, MD

10:30am  Break

10:45am  F19 Can Rhinoplasty be “Ethnic”?
Mark Constantin, MD and Tom Romeo, III, MD

The AAFPRS wishes to thank DePuy Synthes for their educational grant to support the Reconstructive Surgery tracks.
New York is the most populous city in the United States and the center of the New York Metropolitan Area, one of the most populous urban agglomerations in the world. The city is referred to as New York City or the City of New York to distinguish it from the State of New York, of which it is a part. A global power city, New York exerts a significant impact upon commerce, finance, media, art, fashion, research, technology, education, and entertainment. The home of the United Nations Headquarters, New York is an important center for international diplomacy and has been described as the cultural capital of the world.

The AAFPRS wishes to thank CareCredit for their non-educational grant to support the OFPSA Program.

Refine USA, LLC
Booth 701
340 3rd Avenue South, Ste. C
Jacksonville Beach, FL 32259
www.refineusa.com
The Rejuvalpen Automatic Therapy System utilizes 9 precisely spaced microneedles in a small cartridge to create invisible, vertical, micro perforations into the epidermis and the top layer of the dermis. The skin then shifts its natural repair process easily, acquiring gear and starting to produce collagen and elastin to repair these micro-perforations. The self-repairing property of skin is a 100% natural form of skin renewal from the inside out.

On-site registration is also available

JUVÉDERM VOLUMA® XC Important Information

JUVÉDERM VOLUMA® XC injectable gel is indicated for deep (subcutaneous and/or supraperiosteal) injection for cheek augmentation to correct age-related volume deficit in the mid-face in adults over the age of 21.

IMPORTANT SAFETY INFORMATION

Do not use in patients with a history of anaphylaxis, presence of multiple severe allergies, or allergies to gram-positive bacterial proteins or lidocaine. Do not inject into blood vessels and/or use in vascular-rich areas. The safety for use during pregnancy, in breastfeeding females, and in patients with very thin skin in the mid-face has not been established. The safety in patients under 18 years or over 65 years has not been established. The safety in patients with susceptibility to keloid formation, hypertrophic scarring, and pigmentation disorders has not been studied. Use with caution in patients on immune-suppressive therapy, finishing may occur in patients who are using products that can prolong bleeding. JUVÉDERM VOLUMA® XC should only be used by physicians with appropriate experience and knowledge about facial anatomy and product use in deep injection for cheek augmentation. Patients may experience late onset nodules with use. The most common side effects were injection-site tenderness, swelling, firmness, lump/bump, bruising, pain, redness, discoloration, and itching. They were predominantly moderate in intensity with a duration of 2 to 4 weeks. To report an adverse reaction, please call Allergan Product Surveillance at 1-877-345-3372. For more information, please see the About Safety page at www.juvaderm.com or call the Allergan Medical Information line at 1-800-433-3371.

JUVÉDERM VOLUMA® XC injectable gel is available by prescription only.

Pursuant to applicable healthcare guidelines and codes, this program is open to healthcare professionals only. Spouses and/or guests may not participate in the symposium or meal functions. If you are from a state which imposes a limitation on industry-provided meals, and it is not appropriate for you to accept a meal at this program, you may provide payment for a meal or bring your own food and beverage. We appreciate your understanding and support of our commitment to following the highest ethical standards as related to interactions with healthcare professionals.
